HELP ELIMINATE ADOLESCENT RISK TAKING  
ENLIST IN CONNOR'S ARMY

## Connor's Army

Connor was a tremendous student of history, including military history. His thirst for knowledge was only equaled by his desire to discuss current issues and how those issues tied us to our past. Therefore, we felt it only fitting to reference his love of military history by entitling the fundraising component of *Connor's HEART*, Connor's Army. You will find plenty of opportunities to contribute, regardless of your ability to give. We have named the levels Private, Sergeant, Colonel, and General. Of course we are looking for as much help as we can get, but we recognize that every little bit helps. Finally, we have a special level of giving known as the Chamberlain level. This level refers to Connor's favorite historical figure, Joshua Chamberlain, often referred to as the hero of Little Round Top from the Battle of Gettysburg. God bless you for your generosity and your willingness to honor my son's name. Finally, thank you for your interest in serving and protecting our youth —Thank you, Dale Galloway
